

Frequently Asked Questions

Are your web sites compatible with all browsers?

At IAM Training we encourage our students to test their work in a variety of internet browsers from Internet Explorer to Mozilla FireFox and Apple's Safari browser.

What is the "Quality" of a student-built web site?

Our students are instructed by top industry specialists who assist them at every step of the project. The student is then able to present quality work in a competitive market.

Why are your prices so low?

By pairing you up with our students, we are able to offer web development rates at far below market value.

Do you offer Web Hosting?

Yes! We have a variety of hosting options that provide you with the latest in technology and great support too! Here are just some of the features offered:

Webs Hosting

50 E-mail Addresses
100 MB Web Space
Full FTP Access
24/7 Web site Monitoring
99% Uptime Guarantee

Webs Hosting Lite

10 E-mail Addresses
50 MB Web Space
Full FTP Access
24/7 Web site Monitoring

Meet Webster!

web•ster

Pronunciation:
\'web-stər\

Function: noun

Usage: The customer service representative and resident IAM Webs geek, wherefrom the term "Webs" was originally derived as the additional identifier to the name "IAM Webs."

Etymology: From Old English webbestre female weaver, from webbian to weave; akin to Old English wefan to weave. Currently, "Dream" Weaver. And in this case Male.

Date:
12th century

archaic: WEAVER 1 ... and he's a Dream ;)
